

# Electronic Waste Amnesty Days

*FREE, Environmentally-Friendly E-Waste Disposal*

**Every Friday in August from 8AM-4PM  
at Vision Concept Technology**

690 Kintner Parkway (Sunbury Industrial Park)  
Sunbury, OH 43074

## **Our goal is to make recycling service as convenient as possible!**

We understand that what goes into the garbage doesn't disappear. As such, we take every measure to meet or exceed United States EPA regulations in our secure computer recycling programs.

- Asset tags are removed
- Data destruction meets or exceeds DoD/NSA/NIST/PCI/HIPAA specifications
- Maintain a Zero-landfill e-scrap process for electronics recycling
- Adherence to Restricted Export Policy

### **Items we freely accept:**

- |             |                     |                                |
|-------------|---------------------|--------------------------------|
| • Computers | • Mice              | • Scanners                     |
| • Servers   | • Speakers          | • UPS & Battery Backup Systems |
| • Monitors  | • Printers / Faxes  | • Cell Phones                  |
| • Keyboards | • Copiers all sizes | • All Phone Equipment          |

---

We will have a Business Relations Manager available to assist with the drop-off process. You will also receive an electronic waste certificate for your items upon request. Please call 1-877-596-2534 if you have any questions.
